Teaching English to Speakers of Other
Languages (MA)
Watershed Science (MS)

English as a Second Language Program

Course Schedule

The program offers 20 hours of instruction per week at six proficiency levels. Each level is eight weeks in length and is offered throughout the year with new terms beginning in January, March, June, August and October.

Conversation Partners and Trips

There are many opportunities to practice spoken English with Americans outside the classroom. In addition, students will also have opportunities to visit nearby cities to learn more about American culture.
