## Chapter 5

# Scholarships (for Degree-seeking Foreign Students)

According to National Changhua University of Education Implementation Guidelines for International Student Awards,

1. For undergraduate students enrolled in NCUE as degree-seeking foreign students, your **tuition will be waived for the first and second semester**, and the **accommodation fee is free of charge**. (fall and summer vacation housing excluded)
2. For master students enrolled as degree-seeking foreign students, your tuition will be waived for the first and second semester, and the accommodation fee is free of charge. Besides, you can apply for the award during the following years but you will only be awarded upmost to **2 times**.
3. For Ph.D. students enrolled as degree-seeking foreign students, your tuition will be waived for the first and second semester, and the accommodation fee is free of charge. Besides, you can apply for the award during the following years but you will only be awarded upmost to **3 times**.

## Chapter 6

### Internship and Employment after Graduation

1. Regulated by *Operation Directions Governing Applications from Overseas Chinese Students, Students from Hong Kong and Macao, and International Students for Internships after Graduating from University/College in Taiwan*.

After the graduate found the internship unit and permitted by university and MOE, he/she can extend the length of stay upmost to **1 year** in Taiwan.

2. **New Scoring Criteria for Foreign and Overseas Chinese Students to Work in Taiwan** (Practiced since July 2014 and announced by Ministry of Labor Taiwan)

Instead of the amount of wage, the employer and foreign students will be assessed based on eight criteria, including education, salary, work experience, Chinese and other language proficiency, background, and collaborative support for governmental industrial developmental policies, etc. The MOL will distribute employment permits to those who score above **70 points**.

## Chapter 6. Honor
