

Indonesia Unveiled: A 3-Weeks Expedition into Life Sciences, Industry Insights, and Cultural Wonders.

A summer camp initiated by i3L

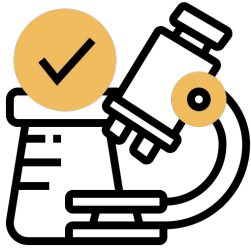

The slide features several decorative orange elements: a large solid circle on the top left, a small solid circle at the top center, a dashed circle to the left of the main text, another dashed circle to the right, a solid circle on the bottom right, a large solid circle on the bottom left, and two curved orange shapes on the bottom left and right.

3 weeks

of adventurous and fun experiences like you never have before.

July 8th to July 27th, 2024

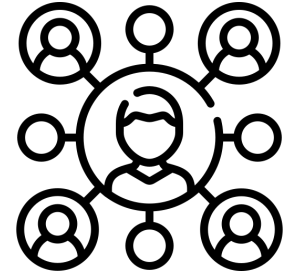

About the Program

Hands on research

Adventures to cultural city
of Indonesia, Yogyakarta
