Dear Dean of Office of International and Cross-strait Affairs
National Changhua University of Education

On behalf of the Faculty of Education, Thaksin University, we are pleased to invite 10 students to join “Social Innovation Camp” on 8th – 12th July 2024

The purpose of this camp is to provide an international opportunity for students to learn about social innovation and share their experience with other students from connected universities. We have a strong belief that opportunities will give students chances to gain valuable feedback on their original work and connect with peers internationally.

Yours Sincerely,

(Assistant Prof. Noppakao Naphathalung, Ph.D.)

Asst. Dean of the Faculty of Education
